

# NATIONAL CONFERENCE of PRIESTS of ENGLAND and WALES

## *Topics for Areas for Exploration Conference 2007*

*“The object of the National Conference of Priests is primarily to provide an opportunity for the representatives elected by their brethren to discuss the ministry and life of priests in England and Wales, and to examine the needs of the Church at national and local level, at to make recommendations to the Bishops’ Conference and the diocesan Councils or Senates of Priests.*

*Representatives should bring items of importance and concern to Conference from the deaneries and diocesan meetings for wider discussion and debate as possible resolutions or areas of exploration, so as to share and disseminate good practice.” Constitution para. 2*

It would help the Standing Committee, if you could prepare such areas for debate on this form. The deadline for submission is Tuesday 4<sup>th</sup> September at 1pm!

Topic: -----

Background to Issue (please give any history, or specific examples which illustrate the issue)

A question for debate (a specific question often help to focus the mind on the issue)

Group Proposing (this can be any Individual Priest, Clergy Deanery, or Council of Priests)

-----  
Conference Delegate (representative of the proposing group) -----
